Re: Jan 31st Year End Report (10/1/05-12/31/05)

The contributions which were listed in your letter regarding the Year End Report (10/1/05-12/31/05) were incorrectly entered into our database. The data has been corrected and the amended schedule A (11a) is attached.

In addition, when reviewing our records, it was discovered that a contribution of \$2,000 from the American Speech-Language Hearing Association PAC had been mistakenly reported as a contribution on 12/31/05. This contribution has been deleted. A new, amended schedule A (11c) is attached. New cover sheets which show a new cash on hand of \$594,932.93 are also attached.

I apologize for these errors.
